

MADE IN USA!

Our premium CAPRI & FULL LENGTH compression leggings! A rugged but comfortable compression pant made with premium BODY FLEX 4-way stretch & recovery fabric. Our waistband is customizable with solid color or custom graphics!

All of our compression wear garments are flat-lock stitched for a smooth feel against skin, with stretchable stitching to work & flex like you do! And as always, we proudly source and manufacture right here in the USA, using only the BEST materials, printing, and garment construction techniques!

Scroll down for size charts as a guide to use with our sizer kit.

FABRIC SPECS & FEATURES

Our BODY FLEX practice wear fabric is a premium milled in USA performance apparel fabric (micro poly/4-way stretch spandex with great stretch & recovery, moisture wicking, anti-microbial, soft and comfortable, very opaque to prevent see through, and (PFP) formulated for a premium sublimation print for bright rich colors!
