- 3 – 4 day turnaround: 25% of invoice.
- 2 day turnaround: 50% of invoice.

*ABOUT PRINT SIZE

Unless otherwise requested, std procedure is to print art at same size across youth and adult shirts, which allows for approx. 12.5" wide x 14.5" tall max print. Design will look very large on the youth shirts, but smaller on the larger adult shirts. If 2 different sets of screens are desired for youth AND adult, please add additional set of appropriate screen fees, and use qty pricing for each group. For example: you have 100 total shirts, but 50 are adult, and 50 are youth. Each group is a separate job and priced based on qty of 50 each, NOT 100 total.

OPTIONAL SERVICES

MIS-PRINT ALLOWANCE (PLEASE READ)

Standard acceptable industry practice for screen printers is to allow for up to 2% mis-prints/spoilage (at no cost to Moxie Cheer Apparel). If exact counts are needed, please order a few extra shirts. If mis-prints are made, we will credit back the cost of the shirt, but we do not re-print them.
