*ABOUT PRINT SIZE

Unless otherwise requested, std procedure is to print art at same size across youth and adult shirts, which allows for approx. 13" wide x 15" tall max print. Design will look very large on the youth shirts, but smaller on the larger adult shirts. If 2 different sets of screens are desired for youth AND adult, please add additional set of appropriate screen fees, and use qty pricing for each group. For example: you have 100 total shirts, but 50 are adult, and 50 are youth. Each group is a separate job and priced based on qty of 50 each, NOT 100 total.
